DIGITAL SAM

Lightbulb Moment

WOULD YOU SCAN A RANDOM FLYER STAPLED TO A TELEPHONE POLE?

THEN WHY SCAN EVERY QR CODE YOU SEE?

QR CODES CAN LEAD TO:

- Malicious websites
- Fake logins
- Unwanted downloads
- Data theft and scams

Before You Scan:

- ☑ STOP
- ☑ THINK
- ☑ VERIFY
- ☑ PROTECT

THE TECHNOLOGY CHANGED. THE LESSON DIDN'T.

PAUSE
Don't scan on impulse. Take a breath.

CHECK
Where did you find the QR code? Who put it there?

VERIFY
If unsure, go directly to the official site.

PROTECT
Your data. Your device. Your peace of mind.

SMART CHOICES TODAY CREATE SAFER TOMORROWS.
