DIGITAL SAM'S T.H.I.N.K.

CHECK BEFORE YOU TRUST AI

Technology is powerful.
But **YOU** are responsible.

T — THINK CRITICALLY
Pause. Ask questions.
Don't take it at face value.

H — HONOR HUMAN JUDGMENT
AI is a tool, not a replacement.
Your judgment comes first.

I — INVESTIGATE THE FACTS
Verify the source.
Dig deeper. Check it out.

N — NEVER ASSUME
AI can be wrong.
Look for bias, gaps,
and what's missing.

K — KNOW WHAT YOU'LL STAND BEHIND
Would you put your name
and reputation on the line
for this answer?

KNOWLEDGE IS THE SHIELD. AWARENESS IS THE WEAPON.
